GREETING

CALL TO WORSHIP

Light shines in the darkness of the world!

Can you see it? Can you feel it?

We will open the eyes of our hearts and light the light within.

There’s a star beckoning us to follow.

We will see where it leads us today in worship.

Let’s see where it leads.

We will watch as we go about our days, our weeks, and the rest of our lives.

OPENING HYMN

“Jesus, the Light of the World”

INVOCATION *(in unison)*

God of promise and light, open our eyes this morning, that we may see your light in the darkness. Open our hearts, that we may perceive your promises of justice and righteousness -- promises fulfilled in the babe of Bethlehem. May we, like the magi, have a star to guide us on our journey quest to find the one who will truly set us free. May this time of worship bring us closer to you, that the good news of the birth of light and love may transform our lives. Amen.

It is an absolute honor to serve our community of underrepresented young people and our women veterans.

Because of your partnership, we are positioned to continue our on-going mission, "To unleash the leadership and positive spirit of diverse communities through leading-edge education, affordable housing, economic growth, and social justice".

Through all of our challenges and accomplishments in 2022, we are extremely grateful for the impact we have made. As we come to the end of the year, we are reminded to celebrate our supporters and wish everyone a safe and happy holiday season and a happy new year.
